Appropriations Are Filed With State Engineer by Three Persons.

Two more applications for water for power purposes, the granting of which means the construction of two electrical power plants in the state, one near Marysville and the other in Little Cottonwood canyon, were filed yesterday with the state engineer.

H. E. Smith of Salt Lake, filed for 100 cubic feet of water of the flow of Sevier river in Piute county, for power purposes. The application states that the diverting works will consist of a dam about sixteen feet high across Sevier river and that the diverting channel will be 2,000 feet long. The power plant will be 75 feet Pelton wheels will be used, operating under a head of 330 feet and generating a total of 1,500 horse power. The electrical power thus generated will be used in electric lighting and propelling machinery in Marysville, Kimberley, Richfield, Milford, Panguitch, and intermediate points.

Application was filed with the state engineer by Samuel Russell of Salt Lake for twenty-five cubic feet per second of the flow of Little Cottonwood creek in Little Cottonwood canyon, the water to be used for generating electrical power. The diverting channel will be 6,000 feet long and will carry water under pressure through 60-inch Pelton wheels, under a head of 60 feet and generating 1,100 horse power. The power generated will be used in electric lighting and propelling machinery in Little Cottonwood canyon, the water to be used for generating electrical power.

WARN FLOCKMASTERS TO REPORT DISEASES

State Commissioners Insist on Knowing Whenever Scabies Breaks Out.

As a result of a decision reached by the members of the state board of sheep commissioners at their meeting this week, a circular letter is being sent to sheep men throughout the state notifying them that cases of scabies among flocks of sheep must be reported promptly to the office of the state board, under penalty of prosecution for not doing so.

The letter says the chief trouble has been encountered in the case of the small farm and ranch owners of sheep. Several cases of infection having been discovered among such flocks. Most of the sheep men of the state, it is said, have been adding the board as much as possible in this direction, realizing that it was to the benefit of their flock that there should be none of the ailment among the sheep in their vicinity.

The board found it necessary recently to prosecute one sheep owner west of the city, and there is a probability of one or two more prosecutions. The board has prosecuted about thirty cases for violation of the state laws, and has not lost a case up to the present time.

ROSE WAR BEING WAGED

White Forces Being Pressed Hard by the Reds, but Strategy May Aid.

That the fame of the "War of the Roses," which is being waged here for the purpose of increasing the membership of the Young Women's Christian association, has spread far beyond the limits of Salt Lake, or even of Utah, was indicated in a letter which was received Friday by Mrs. Olive Hansen, captain of the White Roses, from Kansas City. The letter congratulated Mrs. Hansen on the results attained by her workers, as shown in the published accounts of the contest.

The force of the Red Roses, under Mrs. Hart J. Fitzgerald, the captain of this side, is still in advance of the White company, but it was announced Friday that the other band is making gains and is creeping gradually to the record of their opponents.

BISHOP ANSWERS SUIT.

Says Orphanage Inmate Lost Hand by Carelessness.

An answer was filed in the district court yesterday by Bishop Laurence Scanlan of the Catholic church, in answer to a damages brought against him, in his official capacity as the head of St. Ann's orphanage, by Edna Batten, through her guardian, James M. Batten. Bishop Scanlan denies the charge that the girl was forced to work in the orphanage from May 16 to June 1, while in inmate. Her right hand was torn off in one of the machines, and Bishop Scanlan says this was done through the carelessness of the staff. The damages suit was brought as a result of the loss of the hand.

VOTING MACHINES PUT BACK IN STOREHOUSE

All of the voting machines have now been returned to the city storehouse as sound as when they were taken out, and the last evidence of the election—except the inauguration of the officers, which will take place at the first of the year—is taken away. The machines were taken through the election without a hitch.

WANT TWO SALT LAKERS

Arizona Authorities Get Requisition for Men Who Are Under Bonds.

Richard A. Shipp and Elias S. Kilmback, two real estate men for whom requisition papers were issued on Thursday by Governor Sloan of Arizona, on charges of obtaining money under false pretenses, were arrested some time ago upon telegraphic advices from Sheriff A. A. Anderson of Salt Lake, Ariz., and are now under \$5,000 bonds.

Sheriff Anderson was due to arrive in Salt Lake on Oct. 25, but did not appear, so Sheriff Joseph C. Sharp thought the prosecutions had been dropped. The dispatch in yesterday's Herald-Republican stating that requisition papers had been issued for the two men, indicates, however, that Anderson will come for them.

The men are wanted in connection with the exploiting of banana and orange lands in the state of Arizona. Anderson says these two men are now on file in the Third district court here.

COSTS \$1,250 TO KEEP PARCEL FOR CUSTOMER

Phelix McDonald was given a verdict for \$1,250 by a jury in Judge George G. Armstrong's court yesterday against J. W. McHenry, the delivery man at McHenry, for the accidental discharge of a gun held by McHenry. The shooting occurred on July 17, 1907, at Murray, McDonald left the gun and a pair of trousers in the care of McHenry, who was to deliver them to a customer. When McDonald returned McHenry handed the parcel to him carelessly, and the gun fell to the ground, exploding, and the bullet struck McDonald through the chest. He brought suit for \$20,000 against McHenry, but the jury yesterday decided he was entitled to only \$1,250.

ALICE M. CHRISTIANSEN SUES FOR A DIVORCE

Cruelty is charged by Alice M. Christiansen against Gustave C. Christiansen, her husband, in a divorce suit filed in the district court yesterday, though they have been married only a little more than a year. The date was Oct. 22, 1908, in Salt Lake. The wife charges that in April of this year her husband struck her, that he kicked her in October, and in the same month grabbed her by the throat and made serious threats against her. She says he has thrown her out of the house on several occasions. She wants permanent alimony, now, permanent alimony with her divorce, and an order to restrain her husband from disposing of any of his property.

EPISCOPAL CHURCH SUES TO HAVE TITLE QUIETED

The corporation of the Episcopal church in Utah, Anna Hopkins, Nella S. Stricker and Fred L. Stricker, brought suit in the district court yesterday against C. T. and Augusta B. Stricker, Frederic Geissler, Magnus Gilberg, Thomas J. Sweeney and Matilda W. Bliss to quiet title to a parcel of salt stock land in the city of Salt Lake, Utah, which was claimed to be owned by the church running off First South street, and to restrain them from blocking the alley by the building of stone walls or other obstructions.

A campaign for a MILLION of business during the last quarter of the year is no small undertaking. This would mean four millions a year with present forces. By fair and equitable treatment the forces are being held and additions made to it daily. The success of this effort means a triumph for Salt Lake. THE CONTINENTAL LIFE INSURANCE & INVESTMENT CO.
